Film Retrospective**

**Saturday, January 21 • 8 pm  
Hallwalls' new cinema at The Church**

Diane Bonder has been making lo-fi experimental film and video for 10 years. Her work has been shown at festivals internationally. Shooting super-8 and 16mm in documentary, poetic and semi-narrative styles, she explores autobiographical content, addressing issues of identity, sexuality, addiction, memory, and loss. Diane is Hallwalls' first visiting media artist; this evening's program is a celebration of her art and of all new beginnings.

Program: TRT: 73 mins.
